THE FUTURE OF
PLANT BASED

YOKET – A HEALTHY, DELICIOUS, AND SUSTAINABLE FUTURE

We are taking a major step toward a more sustainable world. YOKET is the flagship brand of Yeşil Şef, aiming to become a leader in the Turkish plant-based meat market. While reimagining traditional flavors with a plant-based touch, we are committed to maintaining taste and texture without compromise.

Our Mission

To bring joy to tables with delicious, healthy, and environmentally friendly products, supporting a sustainable lifestyle.

Our Vision

To be a globally recognized brand, leading the way in plant-based products, guiding food habits towards a better future.

BE A PART OF A GROWING MARKET!

- Plant-based products are no longer limited to vegans and vegetarians; they have become essential for the general consumer as well.
- According to global market forecasts, by 2040, only 40% of people will consume traditional meat, while the remaining 60% will prefer lab-grown clean meat and plant-based meat products.
- In Turkey, the vegan, vegetarian, and pescatarian population is growing rapidly, reaching 8.8 million in 2019.

WHY YOKET PRODUCTS?

- 100% plant-based, non-GMO, and healthy ingredients
 - High in protein, delicious, and easy to use
 - Wide range of products from burgers to meatballs, nuggets to mince
 - Ideal solutions for both individual consumption and for restaurants/super-markets
- zenginleştirin hem de sürdürülebilir yaşamın bir parçası olun!

Features:

-  Crispy Coating
-  Gluten-Free
-  Quick Cooking Time
